Abstract: This document presents the style requirements for the layout of submissions to Protracted Displacement of Refugees: Hopes, Perspectives and Solution. The abstract text is limited to 500 words, 11pt Times New Roman, preceded by "Abstract:" in bold, preceded by a 6pt spacing and followed by a 18pt spacing. The abstract must be submitted as DOC or PDF file. All abstracts that do not meet those requirements will not be accepted.

=====

Further hints for formatting in case your abstract gets selected

Format: Authors are asked to study the following instructions before preparation of abstracts.

Paper Size: A4 (21.0 x 29.7 cm), and NOT US letter.

Margins: Type within the dimensions of 1-inch (2.54 cm) margins top/bottom and left/right.

Line Spacing: Single line spacing. No indentation.

Justification: Full justification.

Title: The abstract title should be in Title Case (upper and lower case), centered in Times New Roman, bold font size 18 point. There should be 6pt spacing between the title and the authors.

Authors: Author(s) name(s) should be typed in Title Case, centered in Times New Roman, bold font size 11 point.

First name, middle initial(s), followed by the surname, should be used to identify authors (e.g. Benjamin L. Smith). Underline the name of the Presenting Author. All affiliations should follow the authors' name in italics, font size 10 point. If the authors come from more than one affiliation, superscript numbers should be used to indicate the correct affiliation. Each author should indicate institute, city, state, country, and email address. Do not include degrees or professional titles (e.g. Dr., Prof., etc).

Body Text Formatting: Submissions are limited to 200 words, no more than 1 A4 page including tables, figures and references.

Do not include headers, footers or page numbers.

The body text of the paper will contain headings, pictures, diagrams, tables, figures, formulae and other relevant information. The section headings should be Times New Roman 11 point bold.

Fig. 1: Figure example.

Body text should be in Times New Roman point 11 normal, with a 6pt separation between paragraphs.

Equations should be centered and numbered consecutively with equation numbers in parentheses flush with the right margin, as in (1). A spacing of 6pt between body text and equations is desirable.

$$E(t) = E_0 \exp(i\omega t) \quad (1)$$

Figures: Black and white and grayscale figures (diagrams and photographs) and tables can be included anywhere in the text other than the title, author list or affiliation list. Figures should be numbered consecutively from Fig. 1 onwards. Tables should be numbered Table 1 onwards. The captions are Times New Roman 10-point italic. Ensure figures and tables are within the printable area of the page.

References: The format for references should follow the Harvard citation style (please, refer exclusively to this webpage for the different sources: <https://www.citethisforme.com/harvard-referencing>).

Footnotes: Footnotes are Times New Roman 9-point font.

Submissions: Authors are asked to submit an acrobat reader (pdf) version electronically on the conference's website (www.protracted-displacement.org). A Word-template is provided on the same website.
